

A NEW consumer website brought to you by the NATIONAL ASSOCIATION OF REALTORS®

HouseLogic is the homeowners' single source for information and tools to help you make smart decisions on how to protect, maintain, and increase the value of your home.

HouseLogic can help manage every aspect of your home...and it's free!

IMPROVE AND MAINTAIN

From appliances to windows and bathrooms to kitchens, gather all the insights you need to make confident decisions about remodeling projects and regular maintenance to realize your goals, savings, and payoffs.

MAKE THE RIGHT FINANCIAL DECISIONS

Managing your home goes beyond its structures and systems. From mortgages and insurance to tax credits and incentives, HouseLogic provides the financial insights that help you make responsible decisions.

TRACK YOUR PROGRESS

Your free HouseLogic account gives you access to your own electronic binder. Use it to set goals for saving money and increasing your home's value—and to monitor your progress; save relevant articles; create to-do lists; and set deadline reminders.
